OWN SHARES:

On June 30 2020, the General Shareholders' Meeting authorized the Board of Directors to acquire treasury shares for a maximum term of 5 years. Subsequently, on March 27 2025, the General Shareholders' Meeting again authorized the Board of Directors to acquire treasury shares for a maximum term of 5 years.

On March 18 2016, March 29 2019, March 31 2022 and 27 March 27 2025, the General Shareholders' Meeting approved a long-term incentive plan for 2016-2018 ("ILP 2016 2018"), another for the period 2019-2021 ("ILP 2019-2021"), another for the period 2022 2024, and another for the period 2025-2027 ("ILP 2025-2027"), respectively, which included the delivery of shares to Executive Directors, members of the Executive Committee, and management personnel of the Company and its group of companies.

Pursuant to the foregoing, and in accordance with the Company's treasury stock policy approved by the Board of Directors on April 18 2016, the Board approved, on April 18 2016, April 23 2019 and April 25 2022, the respective share buy-back programs, permitting the purchase of a maximum of 307,643 shares of the Company under the first, a maximum of 405,084 under the second, and a maximum of 679,907 under the third. The buy-backs were entrusted to a financial intermediary of recognized competence to carry them out on behalf of the Company, independently and without its influence.

In execution of the foregoing, the Company proceeded to repurchase the maximum amount permitted under the buy-back plan approved on April 18 2018, leaving a remainder of 96,862 shares following the settlement of the ILP 2016-2018; likewise, it proceeded to repurchase the maximum amount permitted under the buy-back plan approved on April 23 2019, leaving a remainder of 259,513 shares following the settlement of the first delivery under the ILP 2019-2021; and it proceeded to repurchase 465,000 shares under the buy-back program approved on April 25 2022, leaving a remainder of 367,204 shares in treasury following the second delivery of shares. Of this remainder, with the settlement of the ILP 2022-2024, an additional 146,900 shares were delivered.

Likewise, the Company's Board of Directors resolved, on 19 February 2024 and on 17 February 2025, to carry out a Temporary Share Buy-back Program for the year 2024 and for the 2025-2027 period, respectively, in accordance with the provisions of Article 5 of Regulation (EU) 596/2014.

The aforementioned Temporary Programs have as their exclusive purpose compliance with the obligations arising from the Company's flexible remuneration plans involving the delivery of shares to employees and managers of Enagás, S.A. and companies of its group during the year 2024 and during the 2025-2027 period, respectively.

The Company could acquire up to a maximum of 430,000 shares under the Temporary Share Buy-back Program for the 2024 period, and up to a maximum of 1,500,000 shares under the Temporary Share Buy-back Program for the 2025-2027 period. The buy-backs were entrusted to a financial intermediary of recognized competence to carry them out on behalf of the Company, independently and without its influence.

In execution of the foregoing, the Company proceeded to repurchase a total of 416,522 shares under the Temporary Share Buy-back Program for the 2024 period, which, following settlement of the 2024 flexible remuneration plan, left a remainder of 53,541 shares in treasury. Likewise, the Company proceeded to repurchase a total of 1,500,000 shares

under the Temporary Share Buy-back Program for the 2025-2027 period, leaving, following the partial settlement of the 2025 and 2026 flexible remuneration plans, a current remainder of 1,142,650 shares in treasury.

The Company currently holds 2,224,149 shares in treasury stock.
