OWN SHARES:

On June 30, 2020, the General Shareholders' Meeting authorized the Board of Directors to acquire own shares for a maximum term of 5 years.

On March 18, 2016, 29 March 2019 and 31 March 2022 the General Shareholders' Meeting approved a long-term incentive plan 2016-2018 ("ILP 2016-2018"), a long-term incentive plan 2019-2021 ("ILP 2019-2021") and a long-term incentive plan 2022-2024 ("ILP 2022-2024") respectively, that included the delivery of shares to the Executive Directors, members of the Management Committee and senior management of the Company and its group companies.

By virtue of the foregoing and according to the company's own shares policy approved by the Board of Directors of April 18, 2016, the said Board approved on April 18, 2016, April 23, 2019 and April 25 2022 respectively, both share repurchase programs, that allowed

Significant holdings, voting rights of Directors and Own Shares

the purchase of a maximum of 307,643 shares of the company under the first program, a maximum of 405,084 under the second one and a maximum of 679,907 under the third one. The repurchases were entrusted to a financial intermediary of recognized competence which has done so on behalf of the company, with independence and without his influence.

In execution of the foregoing, the company proceeded to repurchase the maximum permitted amount under the repurchase program approved on April 18, 2018, leaving a remnant of 96,862 shares after its delivery under the ILP 2016-2018, and in the same way the company proceeded to repurchase the maximum permitted amount under the repurchase program approved on April 23, 2019, leaving a remnant of 356,375 shares after its delivery under the ILP 2019-2021, and in the same way the company proceeded to repurchase 465.000 shares under the repurchase program approved on April 25, 2022, currently resulting in an amount of 821,375 own shares held by the company.
