

Enagás Receives Healthy Workplace Certification

Caption: The Director General of Labour and Manager of the Regional Occupational Health and Safety Institute from the Government of Madrid, Ángel Jurado (on the right), presents the Healthy Workplace Certification to the Chief Executive Officer of Enagás, Marcelino Oreja (in the centre), in the presence of Alfonso Masoliver, Director General of the auditor AUDELCO (on the left).

Madrid, 14 September 2017. Enagás has received a Healthy Workplace Certification, granted by the auditor AUDELCO. This Certification complies with the World Health Organisation's model, which defines a 'healthy workplace' as one in which all professionals collaborate to use a continual improvement process to protect and promote the health, safety and wellbeing of all workers and the sustainability of the workplace.

Road traffic safety

Enagás has also received the Road Traffic Safety Certificate, ISO 39001, an international benchmark for road traffic safety (RTS). This certificate acknowledges

Press release

the work carried out by Enagás to reduce the number of road traffic accidents as well as its contribution to continued improvement, with its road traffic safety management initiatives.
