

## Operating Note N°4 - 14.12.2017 (cont. 1)

### **NORTHWEST AREA TRANSMISSION 12.12.2017-23.12.2017 EXCEPTIONAL OPERATING SITUATION (SOE) –LEVEL ZERO**

In order to avoid the situation described in the Operating Note No.4/2017, published on December 12<sup>th</sup>, that could alter the Normal Operation of the Gas System, and have the necessary legal protection for the adoption of appropriate measures for its resolution in the event that such alteration should materialize, the GTS declares Exceptional Operating Situation (SOE Level 0) in accordance with section 6 of the NGTS-10
