

Operation Note n° 5/2020 - 23.12.2020

Warning of low temperatures

The State Meteorological Agency (AEMET) announces a decrease in temperatures **from 25 to 27 December.**

The predicted temperatures result in **extraordinary demand increase** with respect to the expected values under normal conditions of **400 GWh** depending on the temperature predictions evolution in the period **from December 25 to 27.** The current stock level in LNG tanks allow to meet this extraordinary demand.

Thermogram with temperature alarms is attached.
