**CATEGORY VI – INDUSTRIAL CONSUMERS CONNECTED TO NETWORKS  
WITH A PRESSURE > 16 BAR**

<b>Number of members according to NGTS-12</b>	<b>1</b>
---	----------

<b>Number of voters accredited in the register</b>	<b>0</b>
<b>Number of votes received</b>	<b>0</b>

Since there was only one candidacy for the category, it was not necessary to develop a voting process, directly assigning the position of member to:

- **Central Térmica ciclo combinado G 4SL, Grupo EDP**

## **OTHER ISSUES**

"The position of member in the category of Direct Consumers in the Market is declared vacant, as no candidates are included in the corresponding register.

This Electoral Board has also elaborated a confidential annex about votes received and their evaluation.

Once this act is signed, it is sent to the President of the NGTS Working Group, as outlined in section 5 of the Election Procedures.
