

# Enagás H<sub>2</sub> Technical Day

June 11th, 2025 | Meeting Place Castellana 81

## AGENDA

- 10:00**      **Opening**  
**Enagás.** Arturo Gonzalo, CEO
- 10:15**      **Key speaker: The State of the Art of Hydrogen Technology**  
**Centro Nacional del Hidrógeno (CNH2).** Emilio Nieto, Director
- 10:25**      **Roundtable: Digitalisation as a transformative pillar for the entire life cycle of new hydrogen infrastructures**
- **Universitat Rovira i Virgili** Roger Guimerà, ICREA Research Professor
  - **BIP Consulting** Natalia Matute, Director of BIM - BIP Consulting Spain
  - **Siemens Digital Industries Software** Nina Bergmann, Sustainability Strategy Manager & CEO Office - Siemens Iberia
- Moderator:* **Enagás.** Pedro del Castillo, Chief Information & Digital Officer
- 11:05**      **Coffee**
- 11:35**      **Roundtable: The role of OEMs to build a European Hydrogen Network**
- **Burckhardt Compression** Vauhini Telikapalli, Global Hydrogen Business Development Manager
  - **Baker Hughes** Marco Baldini, Hydrogen Solution Architect Gas Turbines and Systems
  - **Mannesmann** Dr. Holger Brauer, Research & Development – Mannesmann Line Pipe
  - **Endress+Hauser SICK** Olga Kotkowska, Business Development Team Leader
  - **SLB** Federico Ricotti, Valve Engineering Manager
- Moderator:* **Enagás.** Pedro Rubio, Director of Technical Services and Technology
- 12:25**      **Roundtable: Ensuring integrity of hydrogen midstream infrastructures: challenges and opportunities**
- **Enagás** Iván Montero, Coordinator Expert in Mechanical Engineer
  - **NaTran** Francis Bainier, Expert
  - **Snam** Marco Tarenzi, Machine, Control Systems and Process Complex Plant Manager
  - **Enagás** José A. Lana, Coordinator of Technological Development and Innovation
  - **Snam** Donatella Barbieri, Environmental Engineer
  - **National Gas** Lisa Witty, Senior Engineer
- Moderator:* **Enagás.** Claudio Rodríguez, Gas Assets General Manager and **H2Gar** Chairman
- 13:15**      **Hydrogen Technology Observatory**  
**Observatory** Coordinator and **Enagás** Head of Innovation & Technology, Igor Pagazaurtundua
- 13:25**      **Roundtable: R&D as an accelerator for green hydrogen across the value chain**
- **Plataforma Tecnológica Española del Hidrógeno (PteH2)** Marina Holgado, Coordinator of the Technical Secretariat
  - **GERG** Dr. Robert Judd, Secretary General
  - **Hydrogen Europe** Javier Navarro, Board Member
- Moderator:* **Enagás.** Susana de Pablo, Engineering, Technology and Digitalization General Manager
- 13:55**      **Summary and final remarks**  
**Enagás.** Natalia Latorre, Energy Transition General Manager
- 14:05**      **Cocktail**

*The event will be held in English, without simultaneous translation*
